

PUBLIC HEALTH, M.S.

ALL IN

TO TURN YOUR PASSION FOR PUBLIC HEALTH INTO COMMUNITY IMPACT

Shape healthier communities while advancing your career. In this program, you'll dig into the biological, social, and environmental forces that drive health outcomes, and design real solutions that improve lives.

Every class is practical and every project connects to the work you're already doing.

HIGHLIGHTS

- Capstone that matters - solve a real public health challenge
- No GRE/GMAT required for admission and test-free coursework - grades based on meaningful presentations and projects
- Flexible 7-week course design
- Immediate impact - apply what you learn at work tomorrow
- Preparation for Six Sigma Yellow Belt or Project Management Certifications
- Roberts' business graduates may qualify for Advanced Standing and tuition savings
