

# ALL IN

## TO TRANSFORM AND LEAD IN HEALTHCARE ADMINISTRATION

At Roberts, we're going all in to help you advance as a leader in the healthcare industry.

Understand the intricacies of healthcare operations, such as insurance, patient care, and governmental policies. Hone your business management skills to lead health-related organizations.

If you have at least 60 transferable college credits, this program is the key to finishing your degree, building your character, and unlocking your potential. All while continuing to work.

### HIGHLIGHTS

- Improve your research, strategic planning, and communication skills to solve a problem in your workplace
- Test-free admissions and exams: grades based on papers, presentations, and projects
- Industry-trained faculty go all in to support you academically, professionally, and personally
- You may earn credit for approved life/work experience (such as military transcripts or professional licenses and certifications)
- Opportunity to save time and money with Advanced Standing in health and business master's programs

### CAREER OUTLOOK

- Apply servant leadership perspectives to healthcare organizations
- Grow your professional connections through our established alumni network
- Develop your career – employment of medical and health services managers is projected to grow 28% from 2022 to 2032, much faster than the average for all occupations.

- 12-24 months
  - Part-time/full-time options
- 37 program credits
- \$617 cost per credit
  - Less than 2% of students pay the full price (\$19,744)
- Online or hybrid
- Start in August, October, January, March, April, or June

### ACCREDITATION
